

## Bulk Coil

Quality material  
for welding  
or brazing  
requirements

Bulk Strip is packaged for your convenience; easy shipping, storage and use. Material information clearly and conveniently indicated on the outside of box offering easier inventory counting and re-ordering.

### Features

- ① **Materials** - Stainless 304 & 316, Copper and Monel
- ② **Width** - A variety of widths available to suit your needs, or preference
- ③ **Thickness** - Variable material (wall) thickness available in each material type
- ④ **Bulk Coil Lengths** - Available in different lengths to suit your requirements or desired stocking level

AMFM Incorporated offers Bulk Coil to fabricators as an option to pre-formed Wrapped Bands. Bulk Coil is packaged to offer you increased flexibility for fabricating large diameter hose, over 3" O.D.

Bulk Coil offers hose fabricators the flexibility of stock material to fabricate bands as required, rather than committing inventory to specific sizes that purchasing Wrapped Bands requires. Various lengths are available to suit your inventory requirements. AMFM Incorporated Bulk Strip is packaged conveniently for easy storage and use. A variety of material specifications are offered to meet all your fabrication requirements.

## Part Number Description

**BC** - **RDM** - **S 16 SS**

①                      ②                      ③                      ④                      ⑤

① **Product Code**  
BC = Bulk Coil

② **Profile (I.D.)**  
10 = 10'  
25 = 25'  
50 = 50'  
100 = 100'  
RDM = 250' - 350'

③ **Material Thickness**  
Light = .028  
Standard = .048  
Heavy = .065

## Bulk Coil

	Material Weight	Available Lengths				Available Widths				
		25'	50'	100'	RDM	08 [1/2"]	12 [3/4"]	16 [1"]	20 [1 1/4"]	24 [1 1/2"]
<b>304 Stainless Steel</b>	Light .028	•	•	POA	POA	•	•	•		
	Standard .048	•	•	•	•		•	•		
	Heavy .060	•	•	POA	•			•	•

POA – These items are non-stock, consult factory for lead times and availability.

## Cut Strip

**CS** - **11.75** - **S 16 SS**

①                      ②                      ③                      ④                      ⑤

All cut strip lengths are available on a custom basis. Lengths are not stocked with out prior arrangement. Lengths based on customer specification.

① **Product Code**  
CS = Cut Strip

② **Profile (I.D.)**  
Required length (inches), 11 3/4"

③ **Material Thickness**  
Light = .028  
Standard = .048  
Heavy = .065

④ **Material Width**  
-08 = 1/2"  
-12 = 3/4"  
-16 = 1"

⑤ **Material Code**  
SS = 304  
ST = 316  
C = Copper  
M = Monel

	Material Weight	Available Widths		
		08	12	16
<b>304 Stainless Steel</b>	Light .028	•	•	•
	Standard .048		•	•
	Heavy .060			•
